NOTE: In order to be a member of the state chapter of ATSA (AzATSA), one must first be a member of the ATSA organization. Join ATSA for as little as \$35 for a non-clinical membership.

If you are an ATSA member and want to become a member of the state chapter, please complete the membership form below and return it, along with \$35.00 dues for the current calendar year. No receipts will be returned to you, so please maintain your own check record. If you prefer, you may use Paypal but be sure to email this form also.

Annual dues must be paid to receive a member reduced rate to the Annual Conference.

If you are not yet an ATSA member, an application is available by contacting www.atsa.com or calling (503) 643-1023. After you have applied to ATSA, you may send this application and membership fees to the address below.
